II. Public Hearing

A. ID-26-4482 Public Hearing – Proposed Rutherford County Budget FY 2026-2027

At 6:04 P.M. Chairman King opened the public hearing to listen to comments regarding the proposed Rutherford County Budget for FY 2026-2027.

Chairman/Interim County Manager King reviewed the FY 2026-2027 Budget Summary which included:

- Continued inflation
- Uncertainty in sales tax, property tax, and vehicle tax collections
- Challenges in employee recruitment and retention
- Increase in state health insurance and retirement contributions
- Increased demand for public safety, education, and human services
- Substantial capital facilities, property, equipment and vehicle needs

A Capital Investment Plan was recommended to address upcoming needs. These included:

- Viper Radios \$950,000
- Law Enforcement Vehicles \$2,860,000
- Public Service Vehicles \$2,954,500
- IT Hardware and Software \$910,000
- Elections Equipment \$275,000
- Other County Vehicles and Equipment \$1,661,616
- RCS Needs-Based Public School Capital Fund (NBPSCF) Grant Match \$3,100,000
- ICC Facilities Condition Assessment Program (FCAP) Recommendations \$3,100,000
- County Facilities and Buildings \$5,599,100
- Reserves for Full Measure and List Revaluation for 2031 \$1,700,000

It was also recommended that Fund Balance Reserves be set aside as this would allow for planning for contingencies and emergencies, maintaining good standing with rating agencies and secure lower interest rates, avoid expenses, and serve as a cash flow management tool.

Highlights of the Solid Waste Budget, Rutherford County Schools, Isothermal Community College were also highlighted. The Total General Fund Budget of \$93,447,130 and Total Budget for all Funds of \$121,211,412 is an increase of 6.564% increase over the current fiscal year General Fund Budget. The tax rate would remain at 45.4 cents.

The key takeaways were:

- Addresses continued inflation, O&M cost increases, and supply chain issues.
- Strengthens support for education and public safety
- Ensures quality service delivery across ALL departments
- Focuses workforce on recruitment and retention

Pat Chamberlain, Out of the Ashes

Mr. Chamberlain stated that the community continues to wish homelessness would go away, but it does not. The opioid settlement funding does not address housing needs. He noted that the Sheriff's Office made four calls to their organization last week.

Mr. Chamberlain stated that the community has an obligation to help people whom no one else is helping and that organizations need the proper tools to do the work. Nearly 500 people came through Out of the Ashes' doors last year, an increase from approximately 300 the year before.

In answer to whether Out of the Ashes had applied for available funding, Mr. Chamberlain explained that organizations must provide housing in a hospital setting to qualify, and his organization does not operate a hospital setting. He expressed concern that much of the funding is going to prescribers who serve consumers rather than organizations providing housing assistance.

James Ridgewell (speaking on behalf of Pat Chamberlain)

Mr. Ridgewell stated that if not for Mr. Chamberlain, he would be back on the streets. He said there was no assistance available for people like him coming directly out of prison, and he emphasized the need for support services for individuals reentering society after incarceration.

Mr. Jeffrey Green (speaking on behalf of Pat Chamberlain)

Mr. Greene spoke in support of Out of the Ashes. He stated that if someone is released from prison and put back on the streets, they are likely to repeat the same behaviors that led to their incarceration. He said that the work being done by Mr. Chamberlain is effective and helps prevent that outcome.

Mr. Eric Gorney

Mr. Gorney thanked county staff for putting the budget together and stated that this would be the first time he would have a lower tax bill. However, he asked commissioners to further reduce the tax rate to help property owners. Many people on fixed incomes are struggling. He had a concern about the use of \$10 million in fund balance to balance the budget, saying it could create budget challenges in future years.

Annie Dance

Ms. Dance requested that closed captioning be included in the budget. She stated that it is difficult for people with hearing impairments, including herself, to fully participate without captioning services.

There were no other comments.

At 6:24 P.M. Chairman King declared the public hearing to be closed.

III. Public Comments

Mr. Phil Burney stated his thoughts on what public service resembles. He wants Rutherford County to be a place where folks and small businesses can succeed. Citizens need to feel that public servants care about their needs.

Mr. Dan Hyland who lives in the Bill's Creek Community asked that there be clarification regarding the housing project proposed in his area. While it has been stated that this is only a rumor, Mr. Hyland said there is a company trying to start this mini-housing solution.

Ms. Grayson Porter read from a post by Bo Johnson regarding cooperation is not freedom. What happens when cooperation replaces confrontation?

Mr. Doyle Brown, Jr. spoke supporting the re-development of Tri City Motel property located in the Ledbetter community. This would be a solution to Rutherford County's workforce housing.

Ms. Deborah Keller addressed the opioid settlement proposal specifically the clean needle exchange. She asserted that an addict does not care that their needles are clean, only accessible. Accessible housing is important even if it only addresses a few, according to Ms. Keller.

IV. Consent Agenda

Commissioner Benfield moved to approve the Consent Agenda. Vice Chairman Toney seconded the motion. The vote on the motion was:

In 2025 the recognition was awarded collectively to all Western North Carolina transit systems in acknowledgment of their heroic efforts in evacuation and recovery operations following Hurricane Helene.

B. ID-26-4484 World Elder Abuse Awareness Proclamation

Income Maintenance Administrator Susan Epley advised that June 15 has been proclaimed as World Elder Abuse Awareness Day (WEAAD). WEAAD was officially recognized by the United Nations General Assembly in December 2011, following a request by the International Network for the Prevention of Elder Abuse who first established the commemoration in June 2006.

Elder abuse can be financial, emotional, physical, and sexual. It also includes people who are neglected and those who neglect themselves. Social isolation, financial or emotional stress, and dementia can make a senior vulnerable to abuse.

The consequences of elder abuse are grave: older adults who are abused are twice as likely to be hospitalized, four times as likely to go into nursing homes, and three times as likely to die. While studies show that 60% of abusers are family members, abuse can happen in any setting: in the adult's own home or a senior living community.

Administrator Epley requested that the Rutherford County Commissioners proclaim June, World Elder Abuse Awareness Month in order to bring these issues to the community's attention.

Vice Chairman Toney moved to approve the proclamation presented declaring June as World Elder Abuse Awareness Month in Rutherford County. Commissioner Benfield seconded the motion. The vote on the motion was:

Ayes: Commissioner King, Commissioner Toney, Commissioner Benfield,
Commissioner Haynes, and Commissioner Haulk.

Rutherford County
World Elder Abuse Awareness Month Proclamation

WHEREAS, North Carolina ranks eighth nationally in the number of people ages 65 and older; and

WHEREAS, elder abuse is a growing concern as the number of adults over age 65 in North Carolina grows; this year, one in five residents will be over age 65, and with greater longevity there will be more opportunities for older adults to experience maltreatment, whether physical, emotional, or financial; and

WHEREAS, elder abuse is under-reported, overlooked, and often ignored, and each resident has a legal responsibility to report any suspicion of abuse, neglect, or exploitation without fear of reprisal to their local county social services department; and

WHEREAS, in the state Fiscal Year 2022-2023, there were around 35,400 reports of abuse, neglect, or exploitation of vulnerable and older adults made to North Carolina's 100 county departments of social services; and

WHEREAS, encouraging, strengthening, and increasing support to prevent abuse allows vulnerable and older adults to exercise their independence and their right to self-determination; and

WHEREAS, we must utilize every tool available to ensure our older adults live with confidence and security in their later years, free from fear, harassment, and harm; and

WHEREAS, Rutherford County joins the world in recognizing June as World Elder Abuse Awareness Day by taking a stand and making it known that it is not acceptable for any older adult to live in fear, be mistreated, or experience intentional harm;

I, Chairman of the Rutherford County Board of Commissioners, do hereby proclaim **June 15th, 2026**, as **World Elder Abuse Awareness Day** and encourage all Rutherford County's residents to recognize and celebrate the accomplishments of Rutherford County's seniors.

Adopted this 1st day of June 2026.

C. ID-26-4504 Department of Social Services Monthly Update

Administrator Epley also provided a monthly update on the Department of Social Services.

Previously Child Protective Services was part of PATH NC. Now home services and foster care are moving into PATH NC. Much training is happening as the go-live date is July 20, 2026. This will enable any county to see cases in other counties.

House Bill 696 was signed into law in May of this year. This House Bill is primarily designed to stabilize Medicaid and give more oversight to the program. It funds a significant Medicaid shortfall while implementing stronger eligibility verification, accountability, auditing, and program-integrity measures aimed at controlling future costs. There is a \$300 million shortfall due to HB 696 changes. Coverage is limited to only what is federally mandated.

Rylan's Law of 2017 requires DSS agencies to provide a Memorandum of Understanding that sets forth the specific standards that the agency must meet or go into a program improvement plan. Performance requirements for particular programs is a measure that all counties are ultimately aiming to achieve.

SECTION 25 —RUTHERFORD COUNTY AIRPORT AUTHORITY FEES

The Airport Fund Revenues, Section 7, Airport Fees are estimated from the following fee schedule as approved by the Rutherford County Airport Authority Board at their meeting September 3, 2024 (Fees effective September 4, 2024):

- A 10 cent per gallon discount will be given to full-service fuel pumped into aircraft for which Rutherford County property taxes are current as of January 5 of the current calendar year. **Each calendar year, the owner of the aircraft must provide proof of payment of the Rutherford County property taxes for the aircraft to the airport staff at the front office in the airport terminal to receive the fuel discount for that calendar year. Fuel will be discounted each year from the date the aircraft tax receipt is received by the airport staff and will not be retroactive.**
- A 10 cent per gallon discount will be given for any fuel purchases over 250 gallons of Jet-A fuel or 75 gallons of 100LL AvGas.
- A 10 cent per gallon discount will be given to federal and state agencies that provide a tax-exempt number.

Minutes of Rutherford County Commissioners' Special Meeting on June 4, 2026
Page 14 of 26

- Aviation fuel for the Rutherford County Sheriff's Office aircraft shall be charged to the Sheriff's Office at cost.
- When a discount is not provided, it is the customers responsibility to notify the airport staff within 24 hours of payment to correct the error, otherwise discounts will not be retroactive.
- Annual Box Hangar Rate \$1.84 per sq. ft.
\$0.36 per sq ft will be added to this rate for hangars with full facilities, which is any hangar with both a bathroom and heating and cooling (HVAC) system.
- Monthly/Daily Hangar Rent-Hangar 1:

Category 1 Aircraft (Wingspan ≤ 40')
\$200/mth or \$20/day up to monthly rental amount

Category 2 Aircraft (Wingspan > 40' to 45')
\$300/mth or \$30/day up to monthly rental amount

Category 3 Aircraft (Wingspan > 45' to 50')
\$400/mth or \$40/day up to monthly rental amount

Category 4 Aircraft (Wingspan > 50' to 55')
\$500/mth or \$50/day up to monthly rental amount

Category 5 Aircraft (Wingspan > 55' to 60')
\$600/mth or \$60/day up to monthly rental amount

Category 6 Aircraft (Wingspan > 60' to 65')
\$700/mth or \$70/day up to monthly to rental amount

Category 7 Aircraft (Wingspan > 65' to 70')
\$800/mth or \$80/day up to monthly to rental amount

Aircraft tail height of greater than twenty feet (20') and weight limits on tug will be additional considerations in determining whether an aircraft can be stored in Hangar 1.

Hangar Renters must have a signed lease agreement to secure a certain duration of time for occupancy and aircraft are subject to be moved around the hangar as needed by airport staff.

Hangar Renters without a signed lease are occupying the space in Hangar 1 on a month-to-month basis and are subject to removal of their aircraft at the end of any calendar month.

The daily rate referenced above starts over at the beginning of each calendar monthly period and then builds up to the monthly rental amount.

Payment of Monthly Hangar Rent allows aircraft parking in the hangar for that calendar month only.

Transient spots may be kept open, however if long term space is available, it will be offered, and a lease agreement can then be pursued. (Those aircraft currently housed in the Hangar will be given first opportunity to enter into a long-term lease and then the opportunity to enter a long-term lease will be offered to those on a running list to be kept by the Operations Manager).

Hangar rent must be paid by the end of each calendar month or aircraft will be moved to a ramp tie down and subject to the Monthly/Overnight Aircraft Parking Fees. The renter shall owe the back hangar rent and be subject to the Monthly Overnight Aircraft Parking Fees; otherwise, if the renter has a lease they will be held to the terms of that agreement.

- Monthly/Overnight Aircraft Parking Fees:
 - Monthly Aircraft Parking Fee shall be defined as the fee charged each calendar month per aircraft tie down space.
 - Overnight Aircraft Parking Fee shall be defined as the fee charged each day per aircraft tie down space. The maximum Overnight Aircraft Parking Fee shall be the Monthly Aircraft Parking Fee each calendar month.
 - Category 1 Aircraft: Wingspan less than forty feet (40')
Monthly Aircraft Parking Fee: \$60.00 per month
Overnight Aircraft Parking Fee: \$10.00 per day

SECTION 29 – RESERVE/FUND BALANCE POLICY

The County will maintain a General Fund unassigned fund balance that significantly exceeds the minimum of eight percent (8%) required by NC State Treasurer Fiscal Management. The percentage to be determined by dividing the consolidated General Fund unassigned fund balance by actual current (same) year revenues of the General Fund. The target goal of the County for the General Fund is a minimum unassigned fund balance of 25%. The annual calculation shall be disclosed in the Notes to the Financial Statements in the ACFR.

Purpose of the Reserve: These funds will be utilized to avoid cash flow interruptions, generate interest income, avoid the need for short-term borrowing, guard against the effects of an economic downturn, guard against the effects of natural disasters, and maintain the County's credit ratings.

Reserve Drawdown: The fund balance may be drawn down below the 25% target percentage for emergencies, including those of an economic nature, by Board action.

Reserve Replenishment: If unassigned fund balance falls below the target percentage for two consecutive fiscal years, the County will replenish funds by direct appropriation in the next budget developed for the fiscal year after the occurrence is known. In that instance, the County will annually appropriate an expenditure item ("to increase fund balance") of at least 25% of the last known difference between the target percentage level and the actual balance until the target level is met. In the event appropriating 25% is not economically feasible, the County will appropriate a lesser amount and shall reaffirm by Board resolution its commitment to fully replenish the fund balance overall stated longer period of time.

Reserved By State Statute: For purposes of the above section, the 25% unassigned fund balance calculation shall remove the fund balance effects of a FEMA/State accounts receivable in the FEMA Disaster Fund which creates a larger amount of reserved by State statute.

Any General Fund unassigned fund balance that exceeds the target goal will be transferred to the Capital Investment Fund at fiscal year-end annually to fund future items as identified during the annual budget process.

The County shall maintain a Capital Investment Fund that budgets and accounts for non-grant funded capital outlays, the County's capital improvement plan, major equipment replacements, roof replacements, HVAC replacements and revaluation reserves for a recommended full measure and list in 2031.

The County Finance Officer is hereby directed to transfer \$24,022,572 of General Fund fund balance as of June 30, 2026, for the establishment of the Capital Investment Fund as provide the initial funding for the new fund as identified in Section 19 for the purposes of funding the new Capital Investment Fund and the projects as identified in the Budget Message – Appendix E.

SECTION 30— ELECTED OFFICIALS PROVISIONS

Any official elected or appointed during the 2026-2027 Fiscal Year shall be paid, upon initial election or appointment, at the rate of pay of the previous incumbent.

SECTION 31 — UTILIZATION OF THE RUTHERFORD COUNTY BUDGET

This Ordinance, the Budget Implementing Resolution and the Budget Worksheets shall be the basis for the financial plan for the County of Rutherford, North Carolina, during the 2026-2027 Fiscal Year. The County Manager shall administer the budget and ensure that operation officials are provided guidance and information in sufficient detail to implement their portions of the budget.

SECTION 32 — POSITION VACANCIES

No full-time vacant position may be advertised, and no new employee may be hired except upon review of departmental staffing levels with the Department Head and Human Resources Director and approval by the County Manager.

The Finance Officer shall establish records, which are in consonance with the budget, this Ordinance and regulating statutes of the State of North Carolina.

This Ordinance shall be effective upon its adoption.

Good morning, County Managers and Clerks to the Board,

In order to record voting delegate designations for the upcoming NCACC Annual Conference in August, we are asking your county to submit your voting delegate designation. You will have the option to select one person to serve as the voting delegate and one person to serve as an alternate, if that is your preference. [Click here to indicate who will serve as your voting delegate for the NCACC Annual Conference.](#)

The NCACC 119th Annual Conference Business Session will be held in Durham County on Saturday, August 22, at 2:15 p.m. Each county is entitled to one vote on items that come before the membership, including the election of the NCACC second vice president.

NCACC Constitution, Article VI, Section 2:

"On all questions, including the election of officers, each county represented shall be entitled to one vote, which shall be the majority expression of the delegates of that county. The vote of any county in good standing may be cast by any one of its county commissioners who is present at the time the vote is taken; provided, if no commissioner be present, such vote may be cast by another county official, elected or appointed, who holds elective office or an appointed position in the county whose vote is being cast and who is formally designated by the board of county commissioners. These provisions shall likewise govern district meetings of the Association. A county in good standing is defined as one which has paid the current year's dues."

Please submit your voting delegate designations by Wednesday, August 19, by close of business. Should you have any questions, please contact Lauralynn Ellis Cochran at lauralynn.ellis@ncacc.org.

Regards,

ENERGY PROGRAMS OUTREACH PLAN

The Low-Income Home Energy Assistance Program (LIHEAP) is a federally funded block grant program that is comprised of three different programs - Crisis Intervention Program (CIP), Low Income Energy Assistance Program (LIEAP) and Weatherization. There are also non-Federal Crisis Intervention Programs – Duke Energy Progress Share the Light, Piedmont Natural Gas Share the Warmth, Duke Energy Progress NC Settlement Rate, and Wake Electric Round Up

To maximize the success of this program, outreach to county residents through key community partner stakeholders, each county department of social services is required to develop and implement an Energy Program Outreach Plan (EPOP). This plan is a framework to assure that eligible households are made aware of the assistance available through these programs.

The county director and/or his/her designee is required to develop the EPOP, which addresses outreach and application activities related to the Energy Programs. The Outreach Plan is due to North Carolina Department of Health and Human Services (NCDHHS) by July 31, 2026.

Each county must form an outreach planning committee that creates the opportunity for county level collaboration to discuss and plan how to effectively reach county residents to inform them of the services provided by the energy programs. The committee should meet at least twice yearly; September for outreach planning related to LIEAP and April to review the outcomes related to LIEAP and to plan for outreach activities for summer weather. 1. What is the process for referring customers? What marketing tools or items will be used (please provide a copy of your previous marketing materials & how you plan to enhance those in the future)?

Community partner agencies will identify potentially eligible households and provide information regarding Energy Programs using eligibility guidelines supplied by Rutherford County DSS. Partners will distribute application packets when appropriate and refer applicants to DSS through multiple application methods. Outreach materials from the previous year are attached and will continue to be updated as needed to improve visibility, accessibility, and public awareness.

2. What strategy does the county have, to continue collaborative efforts with community partners to complete outreach activities to target potential eligible households including individuals and families?

Rutherford County DSS will maintain regular communication with community partners by providing current program information, application dates, policy updates, and designated DSS contact information. Staff are available to provide technical assistance, onsite visits, and outreach presentations to strengthen partnerships and ensure accurate information is shared throughout the community.

3. What additional activities will be conducted to target households with members with children under 5, age 60 and over and disabled?

Special emphasis will be placed on reaching households with children under age five, older adults aged 60 and above, and individuals with disabilities. Targeted outreach materials and program updates will be distributed through agencies serving these populations. Media involvement is vital to the success to outreach activities. How will you county utilize media such as newspapers, social media, radio and television stations to publicize the Energy Programs?

Media sites will include DSS Facebook, Rutherford County Government Website, and Rutherford County DSS Website.

Radio Stations: WCAB, WAGY, WNCW

Media releases will be issued prior to each Energy Program season and as additional funding, or program changes occur.

ORGANIZATIONAL STRUCTURE:

1. Provide hours of operation, location and whether the programs are in house or contracted out. If your agency contracts out to other agencies attach the contract(s).

Applications for Energy are processed in-house by Rutherford County Department of Social Services. Applications are accepted Monday through Friday from 8:30 a.m. until 5:00 p.m. at: 271-A Callahan Koon Road, Spindale, NC 28160

BEST PRACTICES:

Best practices are a method or technique that has been generally accepted as superior to any alternatives because it produces results. Best practices are essential to the program.

1. If your county has gone above and beyond what is listed on this form, please provide this information below:

Rutherford County DSS promotes Energy Programs throughout the year by ensuring all Economic Services staff are informed of program availability, funding changes, and application periods. Staff routinely educate customers applying for other public assistance programs about available Energy Programs, allowing eligible households to access services they may not have otherwise known were available.

2. Any additional comments or activities for CIP, non-Federal CIP, and/or LIEAP:

Continued enhancements to automated eligibility determination, application processing, and benefit issuance systems would improve customer service, reduce processing times, and increase operational efficiency for both county staff and the residents we serve.

ADVERTISING OF UNPAID 2025 RUTHERFORD COUNTY PROPERTY TAXES

Under and by virtue of the authority vested in me by section GS 105-369 of the North Carolina General Statutes and pursuant to approval by the Rutherford County Commissioners on Monday, February 2nd, 2026, I am hereby advertising the tax liens that remain unpaid for the year 2025 upon the real estate described below. The real estate that is subject to the lien, the name of the owner on the date the property tax became delinquent, January 6th, 2026, and the amount of the principal plus interest and cost, IF PAID IN FULL BY June 30th, 2026, are set out below. The amount advertised will be increased by interest on the 1st day of each month, and the omission of interest and costs from the amount advertised will not constitute a waiver of the taxing unit's claim for those items. Any properties located in the city limits of BOSTIC, CHIMNEY ROCK VILLAGE, ELLENBORO, FOREST CITY, LAKE LURE, RUTH, RUTHERFORDTON, and SPINDALE and remain unpaid are being advertised in the total amount shown below. THE DEADLINE FOR PAYING TO AVOID ADVERTISING WAS April 30th, 2026, BY 5:00 PM. If you are in an ACTIVE bankruptcy and your name appears below, please notify this office.

This the 30th day of May 2026.

WITNESSETH:

THAT WHEREAS, Chapter 153A, Article 16 of the North Carolina General Statutes provides that counties shall provide, maintain or let contracts for the services for which the resident of the district are being taxed within a reasonable time after the effective date of the definition of the district; and

The amount therein shall reflect the annual budget of the County for the Service Area, to be paid as follows: County shall remit to Fire Department by the final day of each month the sum equivalent to one-twelfth (1/12th) of the full amount of the annual budget for the fiscal year in effect for the Term as set forth in Paragraph 20 hereinbelow.
