II. Old Business

A. ID-25-4182 State Cashflow Loans for disaster Response Activities – Amendments to Loan Agreement

Finance Director Paula Roach told the Board that the General Assembly created the \$100 million cashflow loan program under the [Disaster Recovery Act of 2024](https://www.ncleg.gov/sessions/2023/bills/senate/html/s382v4.html), <<https://www.ncleg.gov/sessions/2023/bills/senate/html/s382v4.html>> which was passed Dec. 11, 2024. Its goal is to help local governments whose communities were devastated by Hurricane Helene while they wait for federal money to arrive. At the April 7, 2025, meeting the Board approved a *Resolution to Approve North Carolina Cashflow Loan Agreement, Promissory Note, and Associated Agreements*. To address concerns counties raised about how to handle expedited funding under the loan agreement, the State Treasurer's Office worked with outside counsel to finalize a template amendment to the Cashflow Loan Agreement to account for the expedited funding from FEMA and a resolution was passed May 5, 2025 to address that concern.

Recently, the State Treasurer's Office drafted an additional amendment to the Cashflow Loan Agreement to modify the payment terms. This will address the concern raised about reporting the liability as short-term or long-term in the upcoming financials. Payment terms are updated in the amendment, to be repaid no earlier than the five-year anniversary of the Loan Date or June 30, 2030. A resolution was included approving the amendment to the loan agreement. It was recommended that the Board approve the resolution.

Commissioner Haynes moved to approve the resolution. Commissioner Haulk seconded the motion. The vote on the motion was:

Ayes: Commissioner King, Commissioner Toney, Commissioner Benfield,
Commissioner Haynes, and Commissioner Haulk.

**RESOLUTION TO APPROVE AMENDMENT NO. 2 TO LOAN AGREEMENT
BETWEEN THE STATE OF NORTH CAROLINA (BY AND THROUGH THE NORTH
CAROLINA DEPARTMENT OF STATE TREASURER) AND THE COUNTY OF
RUTHERFORD**

WITNESSETH:

WHEREAS, the County of Rutherford (the "County") previously approved and entered into a loan agreement ("Loan Agreement") and promissory note with the State of North Carolina, by and through the North Carolina Department of State Treasurer ("NCDST"), in connection with the Hurricane Helene Cash Flow Loan Program created by the North Carolina General Assembly under the Disaster Recovery Act of 2024 – Part II (Session Law 2024-53, as amended by Session Law 2024-57); and

WHEREAS, effective May 7, 2025, NCDST and the County entered into Amendment No. 1 to the Loan Agreement, which permitted the County to receive FEMA Public Assistance Expedited Project Funding without triggering an obligation to repay the equivalent amount of loan proceeds to NCDST immediately thereafter; and

WHEREAS, NCDST has since agreed to further modify the repayment terms of the Loan Agreement to account for the County's receipt of "Alternative Funding" in general (as that term is defined in the Amendment), towards the end of maximizing the cashflow liquidity available to the County for disaster response activities in the months and years ahead ("Amendment to Loan Agreement.")

NOW, THEREFORE, BE IT RESOLVED BY COUNTY OF RUTHERFORD, NORTH CAROLINA:

1. That the Amendment No. 2 to Loan Agreement presented by the North Carolina Department of State Treasurer is hereby approved.
2. That the Chairman, Board of Commissioners, is authorized to execute the attached Amendment to Loan Agreement (or one substantially equivalent thereto) and to take such other actions as necessary to secure disaster recovery loan funding from the State of North Carolina.

Adopted, this the 5th day of June, 2025.

RES 25-019

B. ID-25- -4183 Budget Adoption

County Manager Steve Garrison summarized the recommended 2025-2026 budget which included a total General Fund Budget of \$87,691,194, total budget for all funds at \$118,057,672, and a 9.8% increase over the current fiscal year budget. The rate would remain the same at 45.4 cents with a 4% COLA; \$299,500 for general capital facility plan for critical capital outlay; \$626,377 for critical IT software, hardware and equipment; and the inclusion of \$6,107,102 of general fund-fund balance to balance the FY2025-2026 budget.

Five (5) fire departments had requested a tax increase (Bill's Creek, Cherry Mountain, Chimney Rock, Cliffside, and Ellenboro.)

For FY 2025-2026 there was a recommendation for a total of \$4,963,017 to Isothermal Community College with \$3,263,017 going to operations and \$1,700,000 to capital outlay. Including debt service for college capital outlay, the total county financial support to ICC in FY2025-2026 will be \$5,412,860. This reflects a 7.81% increase in operations and a 29.3% increase overall.

For the Rutherford County School System there was a recommendation of an appropriation of \$20,189,999 with \$18,368,689 for operations broken out as \$16,881,861 for general operations, \$1,486,828 for teacher supplements and \$1,821,310 recommended for their general capital outlay. Including debt service for school capital, the total county appropriation supporting the Rutherford County School System during FY2025-2026 was recommended at \$27,060,555. The total county appropriations to supplement education capital outlay over and above the Sales Tax and Lottery fund distributions was recommended at \$1,631,725. This was a 5.76% increase over current year's appropriation for operations and a 9.92% increase overall.

The Solid Waste Enterprise Fund for FY 2025-2026 was as discussed previously.

In reply to Commissioner Haulk's question regarding teacher supplements, Manager Garrison said the teachers should get approximately \$2,000 based on Dr. David Sutton's information.

Chairman King read from an email referencing the commentary Board of Education Chairman Morrow made at the public hearing held on June 2, 2025 regarding the possibility of line iteming of SRO funding may limit Rutherford County School's use of the SRO grant monies Rutherford County Schools has in hand or could receive next year.

An email from Chairman King stated:

"A thought is. RCS could make the following request to the BOCC;

RCS board could pass a resolution tonight (June 3, 2025) signed by all school board members and Dr. Sutton, guaranteeing RCS placement of an SRO in every school. They will do this in exchange for the county not line iteming the \$1.6MM for School Resource Officers but still appropriate the \$1.6 MM to RCS.

The resolution would be strictly on the subject of SRO's and a request not to line item the SRO monies, so RCS could access their SRO grant monies they have in hand for that purpose. The resolution will state that it is the will of the BOCC to have SROs in all schools. The resolution will state RCS will place a School Resource Officer in every school.

I spoke with Chairman Morrow regarding this earlier today. He is considering this thought.

I did tell Morrow that I have not spoken to our board, nor have a consensus at this time.”

A copy of the resolution passed by the Board of Education at their meeting held on June 3, 2025 was presented and is attached follows:

SECTION 25 —RUTHERFORD COUNTY AIRPORT AUTHORITY FEES

The Airport Fund Revenues, Section 7, Airport Fees are estimated from the following fee schedule as approved by the Rutherford County Airport Authority Board at their meeting September 3, 2024 (Fees effective September 4, 2024):

- A 10 cent per gallon discount will be given to full-service fuel pumped into aircraft for which Rutherford County property taxes are current as of January 5 of the current calendar year. **Each calendar year, the owner of the aircraft must provide proof of payment of the Rutherford County property taxes for the aircraft to the airport staff at the front office in the airport terminal to receive the fuel discount for that calendar year. Fuel will be discounted each year from the date the aircraft tax receipt is received by the airport staff and will not be retroactive.**
- A 10 cent per gallon discount will be given for any fuel purchases over 250 gallons of Jet-A fuel or 75 gallons of 100LL AvGas.
- A 10 cent per gallon discount will be given to federal and state agencies that provide a tax-exempt number.
- Aviation fuel for the Rutherford County Sheriff's Office aircraft shall be charged to the Sheriff's Office at cost.
- **When a discount is not provided, it is the customers responsibility to notify the airport staff within 24 hours of payment to correct the error, otherwise discounts will not be retroactive.**
- Annual Box Hangar Rate \$1.84 per sq. ft.
\$0.36 per sq ft will be added to this rate for hangars with full facilities, **which is any hangar with both a bathroom and heating and cooling (HVAC) system.**
- Monthly/Daily Hangar Rent-Hangar 1:

Category 1 Aircraft (Wingspan ≤ 40')
\$200/mth or \$20/day up to monthly rental amount

Category 2 Aircraft (Wingspan > 40' to 45')
\$300/mth or \$30/day up to monthly rental amount

Category 3 Aircraft (Wingspan > 45' to 50')

\$400/mth or \$40/day up to monthly rental amount

Category 4 Aircraft (Wingspan > 50' to 55')
\$500/mth or \$50/day up to monthly rental amount

Category 5 Aircraft (Wingspan > 55' to 60')
\$600/mth or \$60/day up to monthly rental amount

Category 6 Aircraft (Wingspan > 60' to 65')
\$700/mth or \$70/day up to monthly to rental amount

Category 7 Aircraft (Wingspan > 65' to 70')
\$800/mth or \$80/day up to monthly to rental amount

Aircraft tail height of **greater than twenty feet (20')** and weight limits on tug will be additional considerations in determining whether an aircraft can be stored in Hangar 1.

Hangar Renters must have a signed lease agreement to secure a certain duration of time for occupancy and aircraft are subject to be moved around the hangar as needed by airport staff.

Hangar Renters without a signed lease are occupying the space in Hangar 1 on a month-to-month basis and are subject to removal of their aircraft at the end of any calendar month.

The daily rate referenced above starts over at the beginning of each calendar monthly period and then builds up to the monthly rental amount.

Payment of Monthly Hangar Rent allows aircraft parking in the hangar for that calendar month only.

Transient spots may be kept open, however if long term space is available, it will be offered, and a lease agreement can then be pursued. (Those aircraft currently housed in the Hangar will be given first opportunity to enter into a long-term lease and then the opportunity to enter a long-term lease will be offered to those on a running list to be kept by the Operations Manager).

Hangar rent must be paid by the end of each calendar month or aircraft will be moved to a ramp tie down and subject to the Monthly/Overnight Aircraft Parking Fees. The renter shall owe the back hangar rent and be subject to the Monthly Overnight Aircraft Parking Fees; otherwise, if the renter has a lease they will be held to the terms of that agreement.

- Monthly/Overnight Aircraft Parking Fees:
 - Monthly Aircraft Parking Fee shall be defined as the fee charged each calendar month per aircraft tie down space.

- The overnight rate referenced above starts over at the beginning of each calendar monthly period and then builds up to the monthly rental amount.
