Subject: Updated Tire Pricing

With a new contract for tire recycling the county's cost have increased so the solid waste department will have to adjust our pricing. The new pricing will be as follows:

	Current Price	Proposed Price
Lawnmower/golf cart tires	.50 each	\$1.00 each
Car/motorcycle tires	\$1.00 each	\$3.00 each
Truck tires	\$5.00 each	\$10.00 each
Tractor tires	\$10.00 each	\$20.00 each
Skidder tires	\$30.00 each	\$40.00 each

Staff is seeking Commissioner approval for the new pricing structure.
