RE: REQUEST TO BE ON AGENDA FOR MAY 7, 2018

Pursuant to NCGS 105-369(a), the Tax Collector requested approval from the board to advertise real property tax liens on May 11, 2018 at the February 5th Commissioner's regular agenda meeting. Due to unforeseen deadline requirements it has become necessary to postpone the advertisement until the following week.

The Revenue Department would like to request a date change to advertise the unpaid taxes in the local newspaper between May 18-25, 2018 to meet these deadline requirements.

Thank you.
