Subject: Board of Equalization and Review appointments expiring 12/31/2018
Date: Wednesday, November 21, 2018 10:46:31 AM
Importance: High

Good morning,

I would like to add an agenda item for the December 3rd meeting. I would like to request that we begin to accept applications for the 2019 Board of Equalization and Review for the appointments that will be expiring this year on December 31, 2018. The following appointments that will expire are:

District 1 – Diane Barrett previously nominated by Commissioner King (Ms. Barrett contacted me to let me know she has moved and will no longer be available to serve)

District 5 – Robbie Gantt previously nominated by Commissioner Toney

District 4 – Commissioner Michael Benfield represented his district on the Board of E&R

The following Board of E&R members appointment will expire next year on December 31, 2019:

District 2 – William Eckler previously nominated by Commissioner Lovelace

District 3 – Rodney Robbins previously nominated by Commissioner Holland

Note: I also need to inform any prospective applicants that since 2019 is a reappraisal year, the commitment to the Board of E&R this year may require meeting three to four times a week between April 1, 2019 and May 10, 2019 with the possibility of having to meet longer based on the number of appeals received. Pursuant to NCGS 105-322, during a general reappraisal year the BER could extend out to December 1 based on the number of appeals. Rule of thumb is to prepare for 5-10% of the number of parcels to appeal, for us this could mean between 3000-5000 appeals. Historically we have had approximately 2.5-3% appeals based on numbers for prior reappraisal years 2002, 2007, and 2012.

Let me know if you have any questions.
