Mr. Bryan King, Chairman  
Rutherford County Board of Commissioners  
289 North Main St.  
Rutherfordton, NC 28139

Dear Chairman King:

As you may know, Isothermal Planning and Development Commission serves as the administrative/fiscal agent for the Region C Workforce Development Consortium. The consortium is responsible for the administration of workforce development programs funded under the federal Workforce Innovation and Opportunity Act. The Local Workforce Development Board (WDB) is responsible for the development of local policies and oversight of those programs. The membership of the board must meet specific criteria required in the Act and members are appointed by county boards of commission in our region.

I am requesting that the Rutherford County Board of Commissioners appoint Mr. **Vince Reese**, representing the Cardinal Paper Products and Mr. **Terry Fountain**, representing Fountain Electric Services. Both candidates represent the private business sector. Mr. Reese will be moving from a Cleveland County to a Rutherford County appointment and Mr. Fountain will be filling the term of David Fraser whose term expires in May of this year.

Terms of membership are for three years.

Thank you for your continued support.

Sincerely,

*Steve Lockett*
