Re: FY 2018-19 Annual Collections Settlement Report and Charge to Collect FY 2019-20 taxes

Hazel,

I will need to present the FY2018-2019 Annual Collections Settlement Report. We will compile the report on July 1, 2019 and will have copies available later that same afternoon. There is nothing to approve, it will be a report that gives our total collections as of June 30, 2019 and a final collection rate.

In addition, as Tax Collector, I will need to have the charge to collect the taxes for the Fiscal Year 2019-2020 approved. I have attached a copy of the document that needs approval from the board.

Thank you,
