Commissioner _____ moved that the following resolution, copies of which having been made available to the Board of Commissioners, be adopted, by reading the title thereof (further reading waived without objection):

RESOLUTION OF THE BOARD OF COMMISSIONERS OF THE COUNTY OF RUTHERFORD, NORTH CAROLINA, AUTHORIZING THE NEGOTIATION OF AN INSTALLMENT FINANCING CONTRACT AND PROVIDING FOR CERTAIN OTHER RELATED MATTERS THERETO

WHEREAS, the County of Rutherford, North Carolina (the “*County*”) is a validly existing political subdivision of the State of North Carolina, existing as such under and by virtue of the Constitution, statutes and laws of the State of North Carolina (the “*State*”);

WHEREAS, the County has the power, pursuant to the General Statutes of North Carolina to (1) purchase real and personal property, (2) enter into installment purchase contracts in order to finance the purchase of real and personal property used, or to be used, for public purposes, and (3) grant a security interest in some or all of the property purchased to secure repayment of the purchase price;

WHEREAS, the Board hereby determines that it is in the best interest of the County to (1) enter into an Installment Financing Contract (the “*Contract*”) with Rutherford County Public Facilities Company (the “*Corporation*”) in order to pay the capital costs of acquisition, construction and equipping of a new Rutherfordton-Spindale Middle School (the “*Project*”), and (2) to enter into a deed of trust, security agreement and fixture filing (the “*Deed of Trust*”) related to the County’s fee simple interest in certain real property on which the Project will be located (the “*Site*”) that will provide security for the County’s obligations under the Contract;

WHEREAS, the County hereby determines that the acquisition, construction and equipping of the Project is essential to the County’s proper, efficient and economic operation and to the general health and welfare of its inhabitants; that the Project will provide an essential use and will permit the County to carry out public functions that it is authorized by law to perform; and that entering into the Contract and Deed of Trust is necessary and expedient for the County by virtue of the findings presented herein;

WHEREAS, the County hereby determines that the Contract allows the County to acquire, construct and equip the Project and take title thereto at a favorable interest rate currently available in the financial marketplace and on terms advantageous to the County;

WHEREAS, the County hereby determines that the estimated cost of financing the acquisition, construction and equipping of the Project is an amount not to exceed \$35,000,000, and that such cost of the acquisition, construction and equipping of the Project exceeds the amount that can be prudently raised from currently available appropriations, unappropriated fund balances and non-voted bonds that could be issued by the County in the current fiscal year pursuant to Article V, Section 4 of the Constitution of the State;

WHEREAS, although the cost of financing the acquisition, construction and equipping of the Project pursuant to the Contract is expected to exceed the cost of financing the acquisition, construction and equipping of the Project pursuant to a bond financing for the same undertaking, the County hereby determines that the cost of financing the acquisition, construction and equipping of the Project pursuant to the Contract and the Deed of Trust and the obligations of the County thereunder are preferable to a general obligation bond financing or revenue bond financing for several reasons, including but not limited to the following: (1) the cost of a special election necessary to approve a general obligation bond financing, as required by the laws of the State, would result in the expenditure of significant funds; (2) the time required for a general obligation bond election would cause an unnecessary delay which would thereby decrease the financial benefits of acquiring, constructing and equipping the Project; and (3) no revenues are produced by the Project so as to permit a revenue bond financing;

WHEREAS, the County has determined and hereby determines that the estimated cost of financing the acquisition, construction and equipping of the Project pursuant to the Contract reasonably compares with an estimate of similar costs under a bond financing for the same undertaking as a result of the findings delineated in the above preambles;

WHEREAS, the County does not anticipate a future property tax increase to pay installment payments falling due under the Contract;

WHEREAS, Parker Poe Adams & Bernstein LLP, as special counsel ("*Bond Counsel*"), will render an opinion to the effect that entering into the Contract and the transactions contemplated thereby are authorized by law;

WHEREAS, no deficiency judgment may be rendered against the County in any action for its breach of the Contract, and the taxing power of the County is not and may not be pledged in any way directly or indirectly or contingently to secure any money due under the Contract;

WHEREAS, the County is not in default under any of its debt service obligations;

WHEREAS, the County's budget process and Annual Budget Ordinance are in compliance with the Local Government Budget and Fiscal Control Act, and external auditors have determined that the County has conformed with generally accepted accounting principles as applied to governmental units in preparing its Annual Budget ordinance;

WHEREAS, past audit reports of the County indicate that its debt management and contract obligation payment policies have been carried out in strict compliance with the law, and the County has not been censured by the North Carolina Local Government Commission (the "*LGC*"), external auditors or any other regulatory agencies in connection with such debt management and contract obligation payment policies;

WHEREAS, a public hearing on the Contract after publication of a notice with respect to such public hearing must be held and approval of the LGC with respect to entering the Contract must be received; and

WHEREAS, the County hereby determines that all findings, conclusions and determinations of the County in this Resolution are subject to modification or affirmation after all interested parties have been afforded the opportunity to present their comments at a public hearing regarding the execution and delivery of the Contract and the Deed of Trust and the Project to be financed.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE COUNTY OF RUTHERFORD, NORTH CAROLINA, AS FOLLOWS:
