Re: FY 2020-21 Annual Collections Settlement Report and Charge to Collect FY 2021-22 taxes

Hazel,

I will need to present the FY2020-2021 Annual Collections Settlement Report. Linda will compile the report on July 1 and 2nd and will have copies available the afternoon of the 2nd. There is nothing to approve, it will be a report that gives our total collections as of June 30, 2021 and a final collection rate.

In addition, as Tax Collector, I will need to have the charge to collect the taxes for the Fiscal Year 2021-2022 approved. I have attached a copy of the document that needs approval from the board.

Thank you,

Richard Lawson
Revenue Director
