RE: Contractor Recommendation for the Rutherford County Central Facility Construction & Demolition Landfill Lateral Expansion Construction

Dear Mr. Garrison,

Sealed bids were received on or before 2:00 pm, Thursday, September 23, 2021, at the Rutherford County Administration Offices for construction of a lateral expansion of the Rutherford County Central Facility C&D Landfill, in response to a public advertisement for bids, posted August 26, 2021.

The project generally consists of construction of 5.5 acres of construction/demolition of a landfill including excavation, hauling, placement of earthwork, gravel haul road construction, stormwater piping, and erosion control measures.

Bids were opened and tabulated by a representative of McGill Associates, of Asheville, NC, the engineering firm engaged by Rutherford County for design, permitting, and construction administration for the C&D Landfill expansion.

Firms Submitting Sealed Bids for the Project:

| | |
|--------------------------------------|------------------|
| • Kemp Sigmon Construction Co. Inc. | Bid \$966,405. |
| • Shamrock Environmental Corporation | Bid \$841,845. |
| • Triangle Grading & Paving, Inc. | Bid 1,196,900. |
| • Site Development Corporation | Bid \$673,755. |
| • Mountaineer Contractors, Inc. | Bid \$1,108,800. |

McGill Associates then reviewed the bid documents for completeness and validity, and has recommended that the low bidder, Site Development Corporation, be awarded a contract for construction of the lateral expansion of the Rutherford County Central Facility C&D Landfill, in the amount of \$673,755.

Odom Engineering concurs with the recommendation of McGill Associates.

Sincerely,

David Odom, P.E.
