Budget Amendments - March. 2017

Summary:

Budget amendments are presented for the Board's consideration. A resolution exempting Cliffside Sanitary District Merger/Consolidation Study from G.S. 143-64.31 which authorizes units of local government to exempt contracts for design services from the qualifications-based selection requirements of G.S. 143-64.31 if the estimated fee is less than \$50,000 is also presented for the Board's consideration.

Also, the Board voted on January 9, 2017, to authorize the County Manager to work with the County Attorney to enter into a capital campaign management agreement with Convergent Non-Profit Solutions for a public/private economic development fund raising campaign. The County will need to directly enter into agreement with the new Rutherford County Economic Development Association to fund this capital campaign management agreement so they may directly enter into the agreement with Convergent. We seek clarification of the Board this is permissible since the County will not be directly entering into the agreement with Convergent. The County will require review of such agreement between the Association and Convergent for approval prior to entering into the agreement to fund it.
