# Proposal

**Date: January 15, 2026**

**Proposal Submitted To:** Isothermal Community College  
**Attn:** Tim Beam

## **Job Name:** Student Services Building FACP/Device Upgrade

**Project Description:** This proposal is to provide and install a new Edwards EDGE panel and devices, device-for-device, in the Student Services Building. Haynes Technologies will provide necessary equipment, installation, and testing as required.

**THIS PROPOSAL DOES NOT INCLUDE:** Raceways of any type, mounting of special boxes, 120V power or surge protection, permits, lifts, firestopping, after-hours work, access panels/installation, relocation of the fire alarm control unit from its existing general location, modification, reinforcement, or reconstruction of the existing wall, ceiling, or mounting surface beyond what is required to remove and replace the existing backbox, correction of unsafe, deteriorated, or non-compliant mounting conditions that pre-exist this scope, provision of supplemental structural support, bracing, or backing beyond the manufacturer's listed installation requirements, patching, repair, restoration, painting, or finishing of walls or architectural surfaces impacted by removal or replacement of the backbox, rerouting or extension of existing conduits or field wiring to improve mounting conditions, coordination or work by other trades including general contractor, carpentry, drywall, or painting services, or correction of concealed or unforeseen conditions discovered during removal of the existing equipment, etc.

**Price: \$20,780.00**

**-Note:** The price(s) quoted above are valid for 30 days from the date of this proposal. After the specified 30-day period, prices may be subject to change without notice. Haynes Technologies reserves the right to revise our pricing based on market conditions and other factors beyond our control.  
**-Note:** Haynes Technologies will provide a technician onsite for trade test and inspector testing. We will provide a (1) hour wait time. If the test has not begun within that (1) hour period, the technician will leave the site and the testing will need to be rescheduled for a later date and time.  
**-Note:** Sales Tax will be billed on the entire invoice including labor for work performed that falls within the NC Department of Revenue general statute 105-164.4B referencing repairs, maintenance, and installation services. If work performed is related to NC Department of Revenue general statute 105-164.4(a)(16) referencing Capital Improvement Projects, MB Haynes requires receipt of a signed 589-CI from the facilities owner as required by NC Department of Revenue.

**Payment to be made as follows:**

Monthly estimate of labor and materials submitted by the end of the month. This amount payable on or before the 15<sup>th</sup> of the following month. Final payment due within thirty (30) days of completion.

Acceptance of Proposal - The above prices, specifications, and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above.
