Dear Mr. Benfield,

Enclosed is the Certified Bid Tabulation for the subject project. A summary of the received bids is listed below:

	RG Tenney Electric	Walker & Whiteside, Inc.
Sch-1	\$165,000.00	\$298,974.00

We have reviewed the bids and qualifications of the bidders. The low bidder, RG Tenney Electric, is on the NCDOT preapproved list and has the proper licenses in the state of North Carolina.

This project is funded with Non-Primary Entitlement (NPE) funds. Based on the information received and the available funding, we recommend that the Rutherford County Airport Authority award the contract for the Fuel Farm Upgrade to RG Tenney Electric for the total amount of **\$165,000.00** to perform the subject work. Award of contract is predicated on approval from NCDOA and FAA.

NOTE: A Notice to Proceed on this project construction is anticipated in May 2026 and is subject to concurrence with a NTP from NCDOA.

We appreciate the opportunity to serve as the Project Engineer for the Rutherford County Airport Authority on this project, and we remain available to answer any questions you may have.

Very truly yours,
