

§ 105-369. Advertisement of tax liens on real property for failure to pay taxes.

(a) Report of Unpaid Taxes That Are Liens on Real Property. – In February of each year, the tax collector must report to the governing body the total amount of unpaid taxes for the current fiscal year that are liens on real property. A county tax collector's report is due the first Monday in February, and a municipal tax collector's report is due the second Monday in February. Upon receipt of the report, the governing body must order the tax collector to advertise the tax liens. For purposes of this section, district taxes collected by county tax collectors shall be regarded as county taxes and district taxes collected by municipal tax collectors shall be regarded as municipal taxes.

(b) Repealed by Session Laws 1983 (Regular Session, 1984), c. 1013.

(b1) Notice to Owner. – After the governing body orders the tax collector to advertise the tax liens, the tax collector must send a notice to the record owner of each affected parcel of property, as determined as of the date the taxes became delinquent. The notice must be sent to the owner's last known address by first-class mail at least 30 days before the date the advertisement is to be published. The notice must state the principal amount of unpaid taxes that are a lien on the parcel to be advertised and inform the owner that the name of the record owner as of the date the taxes became delinquent will appear in a newspaper advertisement of delinquent taxes if the taxes are not paid before the publication date. Failure to mail the notice required by this section to the correct record owner does not affect the validity of the tax lien or of any foreclosure action.

(c) Time and Contents of Advertisement. – A tax collector's failure to comply with this subsection does not affect the validity of the taxes or tax liens. The county tax collector shall advertise county tax liens by posting a notice of the liens at the county courthouse and by publishing each lien at least one time in one or more newspapers having general circulation in the taxing unit. The municipal tax collector shall advertise municipal tax liens by posting a notice of the liens at the city or town hall and by publishing each lien at least one time in one or more newspapers having general circulation in the taxing unit. Advertisements of tax liens shall be made during the period March 1 through June 30. The costs of newspaper advertising shall be paid by the taxing unit. If the taxes of two or more taxing units are collected by the same tax collector, the tax liens of each unit shall be advertised separately unless, under the provisions of a special act or contractual agreement between the taxing units, joint advertisement is permitted.

The posted notice and newspaper advertisement shall set forth the following information:

- (1) Repealed by Session Laws 2006-106, s. 2, effective for taxes imposed for taxable years beginning on or after July 1, 2006.
- (1a) The name of the record owner as of the date the taxes became delinquent for each parcel on which the taxing unit has a lien for unpaid taxes, in alphabetical order.
- (1b) After the information required by subdivision (1a) of this subsection for each parcel, a brief description of each parcel of land to which a lien has attached and a statement of the principal amount of the taxes constituting a lien against the parcel.
- (2) A statement that the amounts advertised will be increased by interest and costs and that the omission of interest and costs from the amounts advertised will not constitute waiver of the taxing unit's claim for those items.
- (3) In the event the list of tax liens has been divided for purposes of advertisement in more than one newspaper, a statement of the names of all newspapers in which advertisements will appear and the dates on which they will be published.

(4) A statement that the taxing unit may foreclose the tax liens and sell the real property subject to the liens in satisfaction of its claim for taxes.

(d) Costs. – Each parcel of real property advertised pursuant to this section shall be assessed an advertising fee to cover the actual cost of the advertisement. Actual advertising costs per parcel shall be determined by the tax collector on any reasonable basis. Advertising costs assessed pursuant to this subsection are taxes.

(e) Payments during Advertising Period. – At any time during the advertisement period, any parcel may be withdrawn from the list by payment of the taxes plus interest that has accrued to the time of payment and a proportionate part of the advertising fee to be determined by the tax collector. Thereafter, the tax collector shall delete that parcel from any subsequent advertisement, but the tax collector is not liable for failure to make the deletion.

(f) Listing and Advertising in Wrong Name. – No tax lien is void because the real property to which the lien attached was listed or advertised in the name of a person other than the person in whose name the property should have been listed for taxation if the property was in other respects correctly described on the abstract or in the advertisement.

(g) Wrongful Advertisement. – Any tax collector or deputy tax collector who willfully advertises any tax lien knowing that the property is not subject to taxation or that the taxes advertised have been paid is guilty of a Class 3 misdemeanor, and shall be required to pay the injured party all damages sustained in consequence.
