

The Airport Fund Revenues, Section 7, Airport Fees are estimated from the following fee schedule as approved by the Rutherford Airport Authority at their meeting March 4, 2024 (Fees effective March 4, 2024):

- A 10 cent per gallon discount will be given to full-service fuel pumped into aircraft for which Rutherford County property taxes are current as of January 5 of the current calendar year. Each calendar year, the owner of the aircraft must provide proof of payment of the Rutherford County property taxes for the aircraft to the airport staff at the front office in the airport terminal to receive the fuel discount for that calendar year. Fuel will be discounted each year from the date the aircraft tax receipt is received by the airport staff and will not be retroactive.
- A 10 cent per gallon discount will be given for any fuel purchases over 250 gallons of Jet-A fuel or 75 gallons of 100LL AvGas.
- A 10 cent per gallon discount will be given to federal and state agencies that provide a tax-exempt number.
- Aviation fuel for the Rutherford County Sheriff's Office aircraft shall be charged to the Sheriff's Office at cost.

When a discount is not provided, it is the customers responsibility to notify the airport staff within 24 hours of payment to correct the error, otherwise discounts will not be retroactive.

- Annual Box Hangar Rate \$1.84 per sq. ft.
\$0.36 per sq. ft. will be added to this rate for hangars with full facilities, which is any hangar with both a bathroom and heating and cooling (HVAC) system.

- Monthly/Daily Hangar Rent-Hangar 1:

Category 1 Aircraft: Wingspan less than forty feet (40')
\$200.00 per month
\$20.00 per day with maximum of \$200.00 per month

Category 2 Aircraft: Wingspan forty feet (40') or less than forty-five feet (45')
\$300.00 per month
\$30.00 per day with maximum of \$300.00 per month

\$400.00 per month
\$40.00 per day with maximum of \$400.00 per month

\$800.00 per month
\$80.00 per day with maximum of \$800.00 per month

Aircraft tail height of **greater than twenty feet (20')** and weight limits on tug will be additional considerations in determining whether an aircraft can be stored in Hangar 1.

Hangar Renters must have a signed lease agreement to secure a certain duration of time for occupancy and aircraft are subject to be moved around the hangar as needed by airport staff.

Hangar Renters without a signed lease are occupying the space in Hangar 1 on a month-to-month basis and are subject to removal of their aircraft at the end of any calendar month.

The daily rate referenced above starts over at the beginning of each calendar monthly period and then builds up to the monthly rental amount.

Payment of Monthly Hangar Rent allows aircraft parking in the hangar for that calendar month only.

Transient spots may be kept open, however, if long term space is available, it will be offered, and a lease agreement can then be pursued. (Those aircraft currently housed in **the** Hangar will be given first opportunity to enter a long-term lease and then the opportunity to **enter** a long-term lease will be offered to those on a running list to be kept by the Operations Manager).

Hangar rent must be paid by the end of each calendar month or aircraft will be moved to a ramp tie down and subject to the Monthly/Overnight Aircraft Parking Fees. The renter shall owe the back hangar rent and be subject to the Monthly Overnight Aircraft Parking Fees; otherwise, if the renter has a lease they will be held to the terms of that agreement.

- Monthly/Overnight Aircraft Parking Fees:

Monthly Aircraft Parking Fee shall be defined as the fee charged each calendar month per aircraft tie down space.

Overnight Aircraft Parking Fee shall be defined as the fee charged each day per aircraft tie down space. The maximum Overnight Aircraft Parking Fee shall be the Monthly Aircraft Parking Fee each calendar month.

Monthly Aircraft Parking Fee: \$60.00 per month
Overnight Aircraft Parking Fee: \$10.00 per day

Overnight Aircraft Parking Fee for **one (1) night** is waived with a fuel purchase of any amount or the payment of a Ramp Fee **during the same period of use of the aircraft tie down space.**

Aircraft location on Tie-Down/Ramp may change at the discretion of the airport staff.

Monthly Aircraft Parking Fees must be paid by the end of each calendar month. If Monthly Aircraft Parking fees are not paid **by the fifth (5th) day of the month following the month being charged**, the aircraft owner shall be required to pay **for each calendar day of that month at the same rate** as the Overnight Aircraft Parking Fee **without the limitation of maximum rate.**

The overnight rate referenced above starts over at the beginning of each calendar monthly period and then builds up to the monthly rental amount.

Payment of the Monthly Aircraft Parking Fee allows aircraft parking at the airport for that calendar month only.

Airport staff have discretion to change an overnight fee to a monthly fee if arrival of the aircraft is within 5 days from the end of a calendar month.

The Ramp Fee shall not be assessed in the event that a transient jet or turbo-prop aircraft lands at the Airport for exigent or emergency circumstances and remains for less than a two-day period.
