Re: FY 2023-2024 Annual Collections Settlement Report and Charge to Collect FY 2024-2025 taxes

Hazel,

I will need to present the FY2023-2024 Annual Collections Settlement Report. The report will be compiled on July 1. We will have copies available the afternoon of the 3rd. There is nothing to approve. This will be a report that gives our total collections as of June 30, 2024 and a final collection rate.

In addition, as Tax Collector, I will need to have the charge to collect the taxes for the Fiscal Year 2024-2025 approved. I have attached a copy of the document that needs approval from the board.

Thank you,

Richard Lawson
